

A big hello to all of our Reception children and parents/guardians.

Firstly, we hope that you are all keeping well and safe and that the children are behaving well also.

On the blog you will now find a new set of activities for your child to complete over the coming fortnight. As always, please complete what is manageable for you as a family and continue to practise our “daily do’s” with your child.

We have been delighted to read previous comments from you as parents and look forward to hearing from you all again over the coming fortnight. Best wishes and love to all the Reception children,

Mrs Llewelyn & Mrs Bennett.
